

# East Brent Church of England First School Newsletter

Newsletter Number 1

Tuesday 4<sup>th</sup> September 2007

Welcome to everyone joining our school today and welcome back to all children, staff, parents and friends. I hope you all enjoyed a very happy and restful summer. This is just a short newsletter to update you on the immediate issues. There will be a newsletter next Wednesday with information about the new term & dates.

**New building:** Building work on the new storage space at the back of the hall is progressing well. However the start date was delayed and some of the early work on the foundations was extended due to building regulations so the completion date has had to run over into the new school term. The main path and car park area has been fenced off, access to the top classroom and office will be via the outdoor classroom. It means that it is not possible to use the hall. Therefore the children will eat their lunch in the classrooms and we will use the church for assemblies. We are hoping that this will only be for 2 weeks, I will update you further on the next newsletter.

**Church Assembly:** Parents are warmly invited to join us for assembly in St. Mary's Church at 9 am on Wednesday 12<sup>th</sup> September.

There will be no after school clubs while the hall is out of use, details of clubs will be on the next newsletter.

**Music lessons:** will start as soon as the hall is available.

At the end of the school day please will parents come onto the playground to collect their children. The older children will meet their parents towards the bottom of the playground (nearest to Rossholme drive). The Year 1 and Year 2 children will meet their parents in the middle of the playground and the reception children will meet their parents on the playground towards the top of the playground nearest their classroom. This is just to help the children to find their parents easily.

**Breakfast Club** will take place in the library until the hall is back in use.

If you have any concerns at all please talk to me.

Heather Hector (Mrs)  
Headteacher
